

SureSan Disinfectant Wipes

Tested to:

◆ EN 14476

◆ EN 1650

◆ EN 13727

Features and Benefits

- Single solution for cleaning & disinfecting hard surfaces - removes the need for multiple products
- No complex preparation of solutions nor dilution of disinfectants required
- Single-use wipes eliminate the risk of cross contamination
- Free from quaternary ammonium and non-oxidising means the wipes are food safe and ensures low corrosion on metal surfaces.
- Excellent efficacy and kill rate even at lower temperatures

*Please Note the wipe substrate may be white rather than blue during Covid-19.
The specification remains the same

SureSan, Kites Croft Business Park, Fareham, Hampshire PO14 4LW

SureSan is a trading division of SMI Int Group Ltd. Company number: 07644080.

Directions for use

- Remove lid from bucket and locate the start of the wipes in the centre of the roll.
- Feed the wipes through the centre of the lid and then reattach the lid to the bucket.
- Pull wipes through as required.
- To prevent wipes from drying out, close cap in lid immediately after use.

Product data

Product Code	OJH-13661
Material	Blue Aquaspun Polypropylene (23gsm)*
Wipes Size	20cm x 23cm
Wipes per tub	500
Liquid content	See MSDS
Shelf Life	2 years from date of manufacture when stored away from direct sunlight or extreme heat
